

## DATABASE OF DONORS TO THE UNIVERSITY (DEPARTMENT OF CIVIL ENGINEERING)

S/N	Name of Donor / Organization	Description of Item
1	1983 Graduating Set	70 inches LG Smart TV Set, Two Vicat Apparatus, One electronic weighing balance
2	1985 Graduating Set	For Borehole drilling, fixing of pipes, appurtenances etc
3	1986 Graduating Set	For the purchase of Total Station with complete accessories, Digital Theodolite, Jar Test Apparatus and Benchtop Turbidimeter
4	1992/1993 Graduating Set	For the purchase of Automatic Soil Compactor and an electrically operated portable concrete mixer
5	1995/1996 Graduating Set	Two electrical analytical weighing balances, one Atterberg's limit apparatus, one 2HP Samsung split air conditioning system, some chemicals for the environmental lab, Five laboratory benches
6	1996/1997 Graduating Set	For the installation of a furnace, purchase of a printer and painting of the Materials Laboratory.
7	1998/1999 Graduating Set	HP Probook laptop, 65" LG Smart TV, LG sound system, MTN 5G router, a 2HP Lg split AC, initial wiring of the teleconference room, Six tables and 16 chairs for the Teleconference/computer room, etc.
8	1999/2000 Graduating Set	22 Nos. Chairs for the Teleconference Room, 2 Nos. block with one connection line for triaxial test (UTS-2405), 2 Nos. Pressure transducers, 2000 kPa (UTGM-1420)
9	2002/2003 Graduating Set	A 9 KVA FIRMAN petrol generator set
10	2003/2004 Graduating Set	Facilitated the opening of the alumni association bank account
11	2006/2007 Graduating Set	Paid for geophysical survey
12	2009/2010 Graduating Set	Laboratory Equipmnet
13	2013/2014 Graduating Set	Part painting of Environmental Laboratoty and some Imprest Running cost
14	2017/2018 Graduating Set	For the purchase of file cabinets
15	2018/2019 Graduating Set	For the purchase and installation of five doors
16	2019/2020 Graduating Set	Public address system
17	2021/2022 Graduating Set	Laboratory bench, Four cartons of A4 paper
18	Engr. Biodun Otunola (MD, Planet Projects)	For the purchase of four laboratory equipment and casting of concrete platform in the materials laboratory
19	Engr. Temitope Falade	Landline
20	Engr. Taye Ojo	For the purchase of a table and four chairs for the Teleconference/computer room
21	Engr. Adewale Adegoke	For the purchase of a table and four chairs for the Teleconference/computer room
22	Engrs. Andrew Okene & Shitan Olakanmi	For the purchase of three tables and twelve chairs for the Teleconference/computer room
23	Engr. Tunde Morakinyo	For the purchase of one table and four chairs for the Teleconference/computer room
24	Engr. Abdulkadiri Ibrahim	For the purchase of one table and four chairs for the Teleconference/computer room
25	Engr. Adeboye Ige	For the purchase of one table and four chairs for the Teleconference/computer room
26	Engr. Tuokpe Brikinns	For the purchase of one table and four chairs for the Teleconference/computer room
27	Engr. Oluwatobi babarinde	For the purchase of one table and four chairs for the Teleconference/computer room
28	Engr. Olakunle Olaniyi	For the purchase of a laboratory bench, 2 Nos. 100kg Platform wighing scale; part payment for four inverter batteries in the teleconference room
29	Engr. Adewale Alake	Part payment for four inverter batteries in the teleconference room
30	Engr. Micheal Adeyinka	For the purchase of Coupling of 6 Nos. extension wiring boxes for the teleconference room, two doors

31	Engr. Omololu Ogunseye	For the purchase of venetian blinds for the teleconference room
32	Dr. Mutiu Ayoola	Stipends for a youth corper for one year
33	Engr. Busayo Daniel Oni	Part payment for the purchase of the venetian blinds in the HOD's office
34	Mr. Sola Adebayo	Two cartons of dustless chalk
35	Engr. Oluseyi Adeyemo	Zoom subscription in the name of the department for one year and provision of fund for the purchase of 1TB of data
36	Dr. Olumide Iwakun	Lecture on consolidation and settlement to part four students
37	Engr. Oluwaseun Arowolo	Lecture on Fiber reinforced polymers to part three students
38	Engr. Adam Ayinla	Webinar to final year students on "Engineering degree: what's next"
39	Engr. Tuokpe Brikinns	Webinar to final year students on "Building a career path"
40	Engr. Michael Adesanya	A presentation on "Introduction to Geotechnical Engineering" to part 2 students on SWEP
41	Engr. Olumuyiwa Ojo	A presentation on "Academic Excellence" to part 2 students on SWEP
42	Engr. Fisayo Agboola	Part payment for the purchase of a Hydraulic Pallet Truck
43	Dr. Fehintola Sanusi	Balance payment for the purchase of a Hydraulic Pallet Truck
44	Engr. Olukayode Awe	Donation towards the 2023 NUC accreditation
45	Engr. Lanre Agbedeyi	Donation towards the 2023 NUC accreditation
46	Dr. Mutiu Ayoola	One time donation of one hundred thousand naira (₦100,000.00) for two indigent students with CGPA of above 3.50; Institution of an annual cash award for indigent student with a CGPA of above 3.50
47	Engr. Daniel Oni	One time donation of two hundred thousand naira (N100,000.00) for indigent students
48	Engr. Ibukun Sobukunola	Cash award of two hundred thousand naira (N200,000.00) for the best four students in Part 5 for 2021/2022 session; Institution of an annual cash award of two hundred thousand naira (N200,000.00) for the best student in final year.
49	1985 Graduating Set	One time donation of three hundred thousand naira (N300,000.00) for indigent students.
50	Engr. Olatunde Ayinla	Cash donation of one hundred thousand naira (₦100,000.00) for the student association for their 2021/2022 week
51	Engr. Olorunfemi Ojo	Cash donation of twenty thousand naira (₦20,000.00) to the students' association for their sport day during the 2021/2022 Civil Engineering week
52	Engr. Michael Adesanya	Cash gifts to four responsive students during his presentation on "Introduction to Geotechnical Engineering"
53	Engr. Omolola Akintomide	Institution of Annual Cash Award of Four Hundred Thousand Naira (N400,000.00) for the best female student in part 5.
