The University will be vetting and reviewing concept notes from OAU researchers/research groups to ensure that high quality concept notes from OAU are uploaded to the NRF TETFund portal.

The following steps will be followed and strictly adhered to:

1. All concept notes are to be sent to tetfundoffice@oauife.edu.ng .
2. The subject line should state the Thematic Area (e.g Thematic Area 2: Education and Human Capital). This is to facilitate the process of allocation of concept notes to reviewers across Faculties based on discipline or specialization.
3. Review of Concept Notes will commence on Wednesday, 14-08-2024 and end on Tuesday, 20-08-2024.
4. For questions or miscellaneous issues, feel free to reach the following contacts:
 - a. Prof. O. O. Akinlo (Chairperson, OAU TETFund Office)
 - b. Prof S. O. Oseni (Chairman, Grantsmanship Committee, Central Office of Research).
